十二、请阅读下面的短文，根据内容判断信息正误。用“T”表示正确，用“F”表示错误。

Andson and his good friend Bob were travelling.

One morning, the sun was bright. When they drove past a big river, they saw an old man fishing by the river. He was wearing a raincoat. “He is strange!” they thought. However, it rained heavily in the afternoon.

After two days, Andson and Bob passed the river again. The old man was still there. Andson and Bob walked up to him. Andson said, “Excuse me. It has been rainy for two days. Do you know what the weather will be like in the next few days?” “Well, tomorrow it will still be rainy and cold. It will rain for three days from tomorrow. Then the sun will come out and the temperature will rise this Sunday.” said the old man. “My father always says that old people know a lot about nature. I think he can know the weather from the sky.” Bob said to Andson. “Maybe he can know the weather from the plants.” Andson guessed.

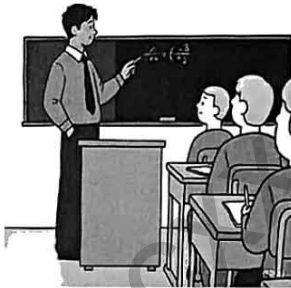

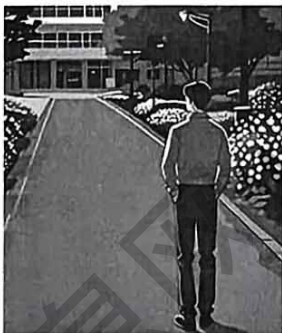

Andson said, “Thank you. Could you please tell us how you know all about this?” “Oh, that’s easy. I surf the Internet for the weather forecast. Then I get the weather information(信息).” said the old man.

- () 56. Andson and Bob went travelling by ship.
- () 57. It was rainy when Andson and Bob met the old man.
- () 58. Andson and Bob met the old man again after three days.
- () 59. The old man got the weather information from the Internet.
- () 60. The story tells us the weather forecast is very important.
