Safety is very important for everyone, and safety is important everywhere—at home, school, and outside. Let's learn to stay safe together.

Home safety

We always play with many kinds of toys at home. But don't play with things like scissors, knives, or fire. Scissors and knives can cut your fingers. Fire is very dangerous. It can burn your body and even make your house catch fire.

Classroom safety

Listen to your teacher carefully. They will tell you what to do if there is an emergency(紧急情况). If you feel sick or hurt, tell your teacher first. They can help you or take you to the school doctor. Keep your desk tidy and don't run around in the classroom.

Street safety

When you cross the street in China, look left, then right, then left again. Make sure there are no cars coming. Don't run into the street or play balls in the street.

Water safety

Always swim with an adult(成年人). If you can't swim well, wear a life jacket. Don't run around the pool.

- () 51. What can you play with at home?
A. Scissors. B. Toys. C. Fire.
- () 52. What should you do if you feel sick at school?
A. Tell your teacher first. B. Tell your parents first.
C. Tell your friends first.
- () 53. What should you do first when you cross the street in China?
A. Look right. B. Look left. C. Look up.
- () 54. What do you wear if you can't swim well?
A. Wear a jacket. B. Wear a life jacket. C. Wear a swimsuit.
- () 55. What is the best title(题目) for the passage?
A. Road Safety B. Swimming in the Pool C. Safety for Kids
